CLEANING

All of the product components are manufactured from quality materials. However, it is very important that you only clean your shower chairs and stools using a non-abrasive cleaner or mild detergent with a soft cloth avoid using lime scale remover. Abrasive cleaners e.g. AJAX and or abrasive cleaning pads will seriously damage your product beyond repair. Do not exceed 50C when cleaning the seat cover and/or back as this will permanently damage the plastic. Regular daily cleaning will reduce the build up of limescale on your product.
